

② Peony Garden in Yakyu Inari Shrine

Nezu Kaichiro (the founder of Tobu Private Railways) donated peony, pine tree and wisteria to Yakyu Inari Shrine to celebrate the opening of Tobu Tojo Line in 1923.

1,300 shares of peony have been planted in the park (approx. 3,500m²).

Many visitors admire the beautiful blooming of peony, azalia and wisteria from middle of April every year.

With Higashi-Matsuyama Peony Park, the peony festival is held every year.

Peonies are in full bloom from middle of April to early May and a dedicatory event will be carried out during a period.
